## Profile

I am a B.Tech CSE student passionate about writing, marketing, and communication. I create engaging content, manage social media, and combine creativity with analytical skills using tools like Excel and PowerPoint to deliver impactful results.

## Experience

➢ Social Media Content Creator ---

- Managed and created engaging social media content to improve audience interaction and visibility.
- Designed captions and post ideas aligned with audience trends and branding style.
- Assisted in content planning and basic digital promotion strategies.
- Developed skills in communication, creativity, and audience engagement.

➢ Event Host / Anchor ---

- Hosted multiple events, ensuring smooth coordination and audience engagement.
- Delivered confident stage presence and effective communication with diverse audiences.
- Improved public speaking, spontaneity, and crowd management skills.
